Any ideas or strategies discussed should not be undertaken by any individual without prior consultation with a financial professional for the purpose of assessing whether the ideas or strategies that are discussed are suitable based on your own personal financial objectives, needs and risk tolerance. The Naples Money Managers, LLC expressly disclaims any liability or loss incurred by any person who acts on the information, ideas or strategies discussed herein. The example portfolio reflects the returns for a single account, managed continuously by the principals. The returns, include all dividends, other earnings and, are net of fees. This account should not be viewed as representative of all accounts managed, or investments made, by the firm. Options involve risk and are not suitable for all investors. The purchase of options can result in the loss of an entire investment and the risk of uncovered options is potentially unlimited. If, however, the position is "covered" by the seller of the option by holding a corresponding position in the underlying interest, the risk may be reduced. You must read and understand the current Options Disclosure Document before entering into any options transactions. The booklet entitled Characteristics and Risk of Standardized Options can be obtained from our firm or at <http://www.theocc.com/about/publications/character-risks.jsp>. A secondary market may not be available for all options. Past performance does not guarantee future results. All investing involves risk of loss including the possible loss of principal.
